Editor's Message

Our next meeting is **Wednesday, May 3rd, 2017 AT **7 P.M.** (DOORS OPEN 6 P.M.)!** A group of numismatists will present **Egyptian Coins, Banknotes & Stamps.**

Our **May 6th SWCS Spring Guelph Coin Show** is fast approaching. As always, we need volunteers to help set up and tear down the show, and work the show itself (admissions, security, runners, kids table, etc.). Please speak with Mike Hollingshead or Lowell Wierstra at our May meeting if you can volunteer.

Our sincere wish to **John Semedo** for a speedy recovery from his April surgery. John hopes to return to our June meeting (or July). We will miss you John! In the meantime many thanks to **Garry George** and **Peter Becker** who have volunteered to look after the draw tickets, and Peter has also agreed to take some photos. **Mike Hollingshead** has agreed to look after printing and mailing newsletters and auction sheets and multi-media connections for our meetings too at some meetings (when he's not in Cuba). If you would like to volunteer to be in charge of printing newsletters and auction sheets for our mail-out to members without internet, and for our meetings and shows, please speak with Mike at the next meeting — we have a huge supply of stamps for club mailings!. If you are tech savvy and would like to look after our technical needs at our meetings, also please speak with Mike at the next meeting. Some folks have been volunteering in the same roles in the club for 10 or more years, so they would welcome some help from some other folks! Even training as an assistant for a future role, will benefit the club too — for example Lowell has been looking after auctions, for longer than most of us can remember, he would love an apprentice!

There were over 200 pictures taken at our 20th Anniversary Banquet, but we put the 44 best ones up on the Members Only website for you to view. There are some in this issue. From all the smiles in the pictures, one would have to say the event was a huge success!

Bring along a friend or two to our next meeting, share the FUN and LAUGHTER!!

OUR BIG BASH WAS A SMASHING HIT!!!

South Wellington Coin Club founded 1997

The South Wellington Coin Society is fortunate to have many members in the Society who quickly volunteer, and even some community friends too, whether it be for membership meetings, mall display days, educational seminars, or our coin shows. The SWCS 20th Anniversary Banquet was no exception, but rather “exceptional” treatment for all members and guests (70 plus 6 young folks) thanks to our Event Committee. Special mention for outstanding service to the organization of this event is deserving of these folks: **Scott and Debbie Douglas, Judy Blackman, and John Semedo**. Also special thanks to our official event photographers, **Amy and Jeff Wilkinson** of *Left of Centre Photography Services* (www.locps.com). The Mandarin Restaurant in Guelph offers a wide variety of delicious food assortment, and Wednesday, April 5th there were many smiles in our group (along with many trips to the buffet)! The restaurant gifted fortunate cookies, and if you were lucky to get a special one like **Ernie and Linda Blair**, you received a Luck Panda. There were two banners, that were first come, first serve to take home as a memento of the evening.

Mike Walsh, Publisher / Editor and Managing Partner of Trajan Publishing Corporation, sent this message on Thursday, April 6th:

“I just wanted to say THANK YOU for such an enjoyable event last night. It’s one of the best ‘anniversary’ events I have attended. The atmosphere was upbeat and relaxing. The food was great, and the hosts created a super evening that will be forever etched in our memories. The little touches and the gifts are very much appreciated — and cherished! Thank you both, and to the entire club, for inviting Jesse and I to be part of your special event. Congratulations and have a wonderful anniversary year!!!”

All attendees received free draw ticket, a 45mm special commemorate silk-screened wooden token (made from recycled beetle kill pine with a child-safe lacquer applied), a commemorate pen, and a 1997 brilliant uncirculated Cdn. penny. Members (and some dignitaries) also received **Scott E. Douglas’s** book *Did You Know?....Here is Fifty More* containing his famous DYK articles no. 51-100. Previously the membership received the first fifty in 2012 for the Society’s 15th Anniversary (first article was in 2007). The organizing committee and some guests had mousepads included in their packages. There

were also two types of medals presented, one with the SWCS original logo designed by founding member **Robert Zmija**, and one with SWCS high-relief Wellington image designed by **Scott Douglas**. The first 8 charter members (see picture on the next page) received medals mounted in special plaques. When the club was started, **Robert Zmija** (who will be 96 in November 2017) could have had membership number 001, but he wanted 007 as he wanted to be like Agent 007 given the work Bob carried out during WWII which resulted in several medals awarded to him. So Bob’s plaque proudly displays the 007! Other surviving charters members include **Tony Zmija, Mathew Fleet, Bruno Kerkhof** and we were happy Tony and Bruno were able to attend our event. We were pleased to also present our loyal dealers who come to every meeting and set up and have done so for numerous years (**Ernie and Linda Blair** of E&L Holdings and **Gary Fedora**). We also had three draw prizes with the top prize a Canadian coin set with a value of \$100.

Special thanks to **Mike Walsh** who brought extra issues of the Canadian Coin News featuring SWCS. He also brought along a special large printed sheet which all present signed. As well, all present signed an edition of Scott’s book, and both items will now be in the club’s historic archives.

There were 85 of the 1-1/2” Gold Plated medal struck, and 25 of the 2” medal (1/4 inch thick) - see medal scans on the next page. Arthur Chan did the Bas Relief of the Wellington bust on the larger medal. Fred Chan sculpted the smaller medal’s obverse and the reverses of both sizes. The minter, PMP (owned by Alan and Greg Trammell), does not die sink. The Graphic Layout for both is by Astrid Bond. Even SWCS’s dog mascot “Roxy” received a medal!

Pressed Metal Products (Vancouver, B.C.) made both medals distributed at our 20th Anniversary event; and PMP is also producing SWCS's Canada 150 (RCNA design) / SWCS medals as part of the RCNA program. We would like to thank the RCNA for providing this opportunity and for paying for the Canada 150 die. Pictured in the centre of the medals is Scott's daughter Amy (one of our two photographers).

PHILIP BAJUS, BREWER, KINGSTON, ONTARIO

[DYK —printed with consent of author Scott E. Douglas]

.....that one of the most obscure tokens may have been missed by Canadian collectors if it wasn't for W.R. McColl's list of 1903?

In 1794 a lot was laid out in the city of Kingston and five years later John Forsythe filed a claim for the Kingston Brewery on this lot, Lot C. John Darley, who operated the Freemason's Tavern became proprietor of the Kingston Brewery from 1800 to 1811 when John Robins bought the business. In 1826 Philip Wenz bought the brewery and was the first to enlarge it during his 30 years as owner. In 1856 Jacob Bajus, a brewer for Wenz, bought the business and quickly added to the existing structure.

Jacob Bajus's son Philip was born in 1845. Philip joined the brewery with his father in 1872 and eventually took over as owner and proprietor of the Kingston Brewery.

Philip Bajus died in Feb. 1893 two months before his father Jacob who died April 1893.

An for the Kingston Brewery ca 1881

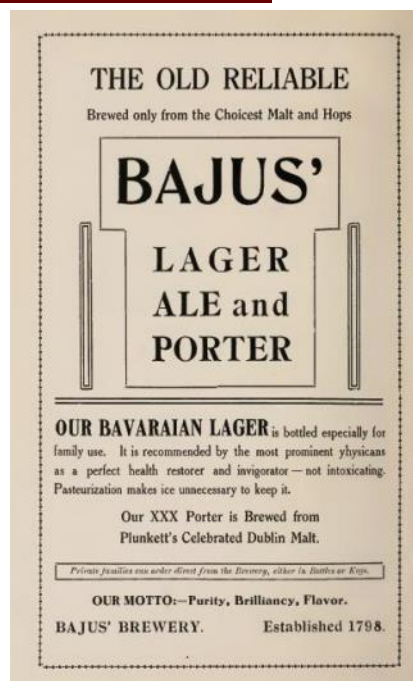

This simple token is uniface and made of white metal. The P.B. represent Philip Bajus and the K. is for Kingston. The token is 21mm in size. The three letters and the five pointed star are randomly spaced suggesting that the punches used resulted in a somewhat 'homemade' appearance and not uniform at all with many of the letters showing double punching. The star is another clue to the Bajus Brewery as their best selling beer was 12 Star Lager. The token is listed by McColl #1230 and by Fred Bowman in Tokens of Ontario as #552-E-A. The token was not known to P.N. Breton or Joseph LeRoux when they publish their respective books in 1888 or 1892. American brewing magnate Virgil Brand of Chicago, also a well known numismatist, had an envelope with these tokens inside and a note written on the envelope stating 25 PBK Philip Bajus Brewer Kingston / got at brewery. The token was likely made between 1890 and 1892 as Philip Bajus died in 1893. The Kingston Brewery became the Bajus Brewery and carried on for another 27 years and was run by Grace Bajus (Philip's wife) and her brothers Robert and Thomas Stevenson. The brewery closed down in 1920. Grace Bajus died at the age of 70 in March 1927.
